

# Kindergarten

Cerkvenjak, Slovenia

<b>Architect</b>	Superform, D.O.O., Ljubljana, Slovenia
<b>Facade</b>	Largo Swisspearl Carat
<b>Location</b>	Cerkvenjak 34, 2236 Cerkvenjak, Slowenien
<b>Photographer</b>	Miran Kambič Photography, Radovljica, Slovenia
<b>Type of Building</b>	Educational

**SWISSPEARL**

Architects Superform drew the Inspiration for this kindergarten from a nearby learning path running through the Slovenian village of Cerkevjak. Intended to enrich the children's spatial experience, the hallway itself varies in width and each playroom unit boasts a unique, irregular and contorted shape. The design of the Swisspearl envelope support this idea.
