Dach	Linearis Carat R-Color Coral 7031 R
Standort	Westport, Connecticut, USA
Fotograf	Paúl Rivera, New York, L-V-COUNTRY-US
Gebäudeart	Residential

Form and surface meld to express the Red Barn's inspiration. The simple gable form and the diminutive outbuilding with its vibrant red exterior recall the typology of a traditional barn. Only upon closer inspection do the glazed ends, entry portal, hangar door, and contemporary cladding denote another reality for the building. The Red Barn's meaning lies somewhere between the past it references and the present it occupies.
