Facade	Largo Swisspearl Carat Crystal 8010
Location	3070 S Champions Dr, Rogers, AR 72758, USA
Photographer	Aaron Kimberlin, Fayetteville, USA
Type of Building	Office

SWISSPEARL

Neptune Office Building is articulated in long, extended parallel lines of layered materials: stone, glazing, Swisspearl panels, and steel flashing in tightly packed, overlapping panels. Interlocking forms protrude from the facade envelope covered by the timber-clad eaves overhang that protects the upper floor outdoor balcony.
