Facade Largo Swisspearl Carat Ivory 8090

Location San Maurizio, Bozen, Italy

Photographer Meraner & Hauser OHG/SNC, Bozen, Italy

Type of Building Residential

SWISSPEARL

A multi-layered envelope, high-performance glazing and a photovoltaic installation on the roof significantly reduce energy expenditure in this luxury residence. The two apartments occupy an entire floor each and have access to spacious outdoor areas as well as a shared underground car park.
