

**Iconic in all
its facets.**

SWISSPEARL

Unfold your architectural vision with Swisspearl Carat

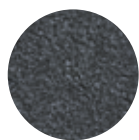

Carat is more than just a facade panel – it is a vision, born from Swiss precision and more than 130 years of craftsmanship. With each through-coloured panel, it tells a story of depth, authenticity, and timeless elegance. 20 UV-resistant colours, carefully curated, unfold a design freedom that is unique in its beauty.

Its translucent lightly pigmented surface enhances depth and character, while outstanding longevity and resilience ensure that architectural visions stand the test of time. Impervious in its quality, resilient against the elements, it preserves architecture in its purest form.

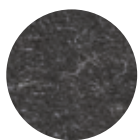

Timeless elegance

High-Resistance Coating

Add a plus

By choosing an additional High-Resistance (HR) coating, the panel has an even higher scratch and weather resistance, as well as a protective effect against particularly heavy contamination and graffiti.

The Carat features

Base panel

through-coloured

Structure/Surface

smooth/even

Optics

translucent/matte

Colours

20 colours

Optional

High-resistance coating

Addition

also available for interior use
