

## Legal disclaimer – Swisspearl Sverige

### Legal disclaimer

The Smart Façade Tool was made for Swisspearl Sverige, part of the Swisspearl Group. The Swisspearl Group is the holder of all intellectual property rights including copyright to the Smart Façade Tool. The Smart Façade Tool may only be used according to the below mentioned terms.

### Terms

#### 1. Copyright

The Smart Façade Tool is specifically designed to implement façade boards and products marketed by companies in the Swisspearl Group. It may not be used with any other products or for any other purpose.

#### 2. Exemption of liability

Swisspearl Sverige attaches great importance to making sure that the information in the Smart Façade Tool is correct, complete and updated. Swisspearl Sverige is not legally responsible or in any other way liable for any loss or damages that might result from the use of the GDL library or the Smart Façade Tool. Swisspearl Sverige renounces all liability regarding accuracy and use of the calculations made with the Smart Façade Tool, including technological faults in the tool. We recommend that the accuracy of the information is always checked.

#### 3. Filing of personal information

In order to use the Smart Façade Tool, you must agree to Swisspearl [Integritetspolicy](#) [Cookie policy](#) and [Web Accessibility Statement](#). Sign up to newsletter and follow update information on web site about the Smart Façade Tool. This update information is crucial in order to have the newest information about the current product range.
