Chojnice, Poland

**Architect** Pracownia Projektowa Zdzisław Kufel, Chojnice, Poland

**Facade** Swisspearl Zenor

**Location** Chojnice

**Type of Building** Public

**SWISSPEARL**

The institution serves as a key cultural hub for both the city of Chojnice and the southwest region of the Pomeranian Voivodeship.

The building is equipped with a cinema-auditorium featuring state-of-the-art technology (4K projector, 3D capability, Dolby sound system), enabling a wide range of artistic and educational events.

In brief: a modern cultural centre combining educational, artistic and community-building functions — an ideal venue for dynamic marketing, promotional and event-driven initiatives.
