

PPWR DECLARATION OF CONFORMITY FOR PACKAGING

Regulation (EU) 2025/40

Declaration Statement

This declaration of conformity is issued under the sole responsibility of the manufacturer.

The object of the declaration referred to in point 4 is in conformity with the relevant Union harmonization legislation: Regulation (EU) 2025/40 of the European Parliament and of the Council on packaging and packaging waste (PPWR).

Pursuant to Article 5 of the PPWR, which establishes specific requirements for substances in packaging, Swisspearl confirms - to the extent applicable - the following:

- The packaging listed in Appendix A complies with the heavy metal concentration limit of <100 mg/kg for the combined sum of lead, cadmium, mercury, and hexavalent chromium (VI), as mandated by Article 5(4) of the PPWR.
- Swisspearl does not intentionally add per- and polyfluoroalkyl substances (PFAS) to the packaging listed in Appendix A. Compliance with the requirements set out in Article 5(5) of the PPWR is evaluated. The packaging listed in Appendix A is not intended for food contact, but we confirm that it adheres to the following

PPWR PFAS threshold limits:

- 50 mg/kg for total PFAS, including polymeric PFAS.
 - 250 ppb for the sum of PFAS measured via targeted PFAS analysis (optionally including the prior degradation of precursors, with polymeric PFAS excluded).
 - 25 ppb for any individual PFAS substance measured via targeted PFAS analysis (with polymeric PFAS excluded).
- References to the relevant harmonized standards or the common specifications used or references to the other technical specifications in relation to which conformity is declared: Assessment and testing conducted in accordance with the requirements and testing methodologies set out in Regulation (EU) 2025/40 (PPWR), Article 5, and applicable technical standards.

Swisspearl continuously monitors regulatory developments under the EU Packaging and Packaging Waste Regulation (PPWR) and will update this Declaration of Conformity as additional requirements (including Articles 6–12) become applicable to our products.
