

## Villa N2

Herzliya, Israel

<b>Architect</b>	Irene Goldberg, Israel
<b>Facade</b>	Largo Swisspearl Nobilis Custom Color
<b>Location</b>	Herzeliya, Israel
<b>Photographer</b>	Amit Geron, Tel Aviv , Israel
<b>Type of Building</b>	Residential

**SWISSPEARL**

This stylish, single-family house in Herzliya, north of Tel Aviv on the Mediterranean coast, has been designed as a succession of interconnected thresholds that proceed through the building. Aluminum latticework screens have been used as a device to create subtle intermediary spaces.
